

Alaska Camp AN Teen Camp Mission Trip 2024

UND XA Informational Meeting

- Dates: June 22, 2024 – July 3, 2024
 - We will likely have one day on both ends for travel to and from Minneapolis (June 21, 2024 – July 4, 2024)
- Where: Emmonak, AK at Camp Agaiutim Nune (Camp AN)
www.campanalaska.org
- What will we be doing:
 - We will be camp coaches / Rec Directors at the remote Alaskan bible camp of Camp AN. We will be leading worship, games, recreation time, and discipling these campers in devotional time. Teens from the surrounding villages come and experience Jesus by the Holy Spirit and each year we see teens give their lives to Jesus, be baptized in the Holy Spirit, and experience real love (sometimes for the first time).
- Team Requirements:
 - 9 Total workers (including leader) are needed. Aside from Wyatt we will need 4 guys and 4 girls to have a balanced discipleship presence at Camp AN.
 - This is not a mission trip for the faint of heart. It is not vacation either, but it will be one of the greatest, most challenging, and most rewarding experiences of your life. Stepping into these teen's lives requires being obedient to and operating in the fruit of the Holy Spirit as laid out in Galatians 5:22.
- Cost - ~\$2500.00/person (9 people)
 - This is not a particularly cheap trip mainly due to travel expenses to Anchorage, and then out to Emmonak via regional aircraft and back.
 - This number is subject to marginal change due to airline ticket fluctuations and team size.
 - **YOU ARE NOT EXPECTED TO PAY OUT OF POCKET!**

- Support raising is necessary, and more information will be provided regarding support raising.
- Other Information:
 - I, Wyatt Jones, will be leading the Camp AN trip this year. I have gone on this mission trip the past two years and I speak from experience when I say that God honors the difficulty and expense that it requires to go and do this work for the Kingdom of God.
 - I have grown to have a deep seated love for the isolated people of rural western Alaska, and I have had the privilege of becoming friends with many of the campers in the past. I have personally seen how God gives His love freely onto these teens and how effective the Gospel truly is in reconciling God's children back to himself.
