- This resulted guilt and shame that separated God from man and woman.

**Sacrifice – Jesus, God Himself, loves us so much that He came and died for us and paid the penalty. Then He rose from the dead!**

**Return – We return to God by asking Him to forgive us for going our own way and doing things that are wrong. We believe (trust) that Jesus' sacrifice paid our penalty so we can be forgiven. We turn from living for ourselves and surrender to live for Him. (Repent, trust, and surrender)**
