

The Power of Words

Proverbs 18:21 The tongue has the power of life and death, and those who love it will eat its fruit.

Ephesians 4:29 Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen.

Matthew 15:18 But the things that come out of a person's mouth come from the heart, and these defile them.

Proverbs 16:24 Gracious words are a honeycomb, sweet to the soul and healing to the bones.

Words are powerful. They can either be used to tear people down or build people up. God tells us that we should only use our word to help build each other up!

Take some time to have each member of your small group share specific things that they love about each other. This may take some time but it is worth it!

Don't worry about sounding good or saying just the right compliment that makes everyone in the room cry. Just share your heart about why you love and appreciate the person you are sharing with.
